► **80 Years of Experience**

Rain Bird's stellar reputation of providing high quality irrigation products for over 80 years delivers again with the ESP-TM2, carrying a 3 year trade warranty.

► **Simple to Program**

The ESP-TM2 is simple to program and use with Rain Bird's Extra Simple Programming. Easily customize your schedule to keep your landscapes lush!

ESP-TM2 Tract Model 2nd Generation

Simple, flexible, reliable

The ESP-TM2 irrigation controller is the perfect option for basic residential solutions. Building upon Rain Bird's legacy of The Intelligent Use of Water, this controller offers simple water saving features that you will actually use.

With the flexibility of 3 programs and 4 start times available per program you can tailor your watering schedule to your landscape's needs. The ESP-TM2 provides the Extra Simple Programming interface you are familiar with in a controller that is built to last!
